---

### IRRIGATION & C.A.D.(P.W.-LA-IV-R&R-II) DEPARTMENT

G.O.Ms.No. 135

Dated:17.11.2009.  
Read the following:-

- (1) G.O.Ms.No.98, Irrigation & C.A.D.(P.W.) Department, dated:15.04.1986.
- (2) G.O.Ms.No.266, Irrigation & C.A.D.(P.W.) Department, dated:19.09.1994.
- (3) From the Engineer-in-Chief, N.T.R.Telugu Ganga Project, Srikalahasti, Letter No.ENC/TGP/SKHT/TS/T1, dated:25.09.2009.

-:O:-

### **ORDER:**

The Engineer-in-Chief, NTR, Telugu Ganga Project, Srikalahasti in his letter 3<sup>rd</sup> read above has stated that Government have constituted a Selection Committee with the Chief Engineer of the concerned project as Member-Convener for providing employment to displaced persons or their dependents whose lands, houses were acquired for construction of Major/Medium Irrigation Projects vide G.O.Ms.No.266, Irrigation & CAD Dept, dated 19.9.94. At the time of issue of this G.O., there was only one Chief Engineer for the entire Telugu Ganga Project. Now, there are three Chief Engineers for Telugu Ganga Project stationed at Kurnool, Kadapa and Srikalahasti and various reservoirs under Telugu Ganga Project i.e., Velugondu, SPVBR, Somasila and Kandaleru are under the control of different Superintending Engineers stationed at Nandyal, Kadapa and Nellore respectively. The Engineer-in-Chief/Chief Engineers, Srikalahasti/ Kadapa are now looking after various projects apart from the Telugu Ganga Project and it is becoming difficult to convene and attend District Level Committee meetings due to many other urgent pre-occupation meetings which is resulting in postponement of the meetings and delay in finalization of the seniority lists of displaced persons. Since this is a District Level Committee Chaired by the District Collector concerned, it is appropriate to make the concerned Superintending Engineers as Member – Conveners to convene meetings at closer intervals and to avoid the delays which will be helpful in the present context of facing number of court cases/ contempt cases and it will also be convenient for the Superintending Engineers to convene the meetings since each reservoir is under the control of separate Superintending Engineer. He has requested the Government to amend the G.O.Ms.266, I&CAD Dept, dated 19.9.94 so as to include the concerned Superintending Engineer in charge of the Reservoir /Project as Member – Conveners of the District Selection Committee in place of the Chief Engineer.

(P.T.O.)

-: 2 :-

2. Government after careful examination of the proposal hereby issue the following amendment to the orders issued in G.O.Ms. No. 266, Irrigation & C.A.D.(P.W.) Department, dated:19.09.1994:-

**AMENDMENT**

"In para 4 of G.O.Ms.No.266, I &CAD(PW) Dept., dated 19-9-94 the name in the Selection Committee to substitute the concerned Superintending Engineer in-charge of the Reservoir / Project as Member-Convenor of the District Selection Committee in place of the Chief Engineer of the concerned Project."
